Washington Eagle Forum Project X10

Times Ten Bold, Times Ten Vocal, Times Ten NOW!

Democrats have doubled-down against conservatives - in DC by passing HR 1 in the U.S. House, and here in Washington by passing a state income tax on Saturday night in our state Senate. Both are UNEXCEPTABLE, and it's time!

**It's time for us to raise our voice – X10!
Assemble a X10 Team right now!**

- Find ten voices to contact our U.S. Senators with a firm message "NO on HR 1"
- Find ten voices to contact their state House members with a firm message "No Capital Gains/State Income Tax"

All the links and information you need are included in this alert.

Please pass this alert on to your network of family and friends so together we can raise our voices X10 to impact our state and nation!

HR 1 Passes U.S. House and Heads to the Senate!

That HR 1 has taken precedence over all other issues for Democrats in DC right now should tell grassroots citizens everything they need to know - Democrats want it bad, and they want it now! Biden has promised to sign it, and yesterday even signed an executive order "to make it easier to vote". How about we make our ballots secure before we focus on making voting "easier".

HR 1 puts a Democrat stranglehold on every future US election, and it must be stopped! We encourage you to read the HR 1 information in the links below, and then with your X 10 friends CALL AND WRITE OUR SENATORS!

Capital Gains/State Income Tax Passes WA State Senate - Now Heads on to the House

Incredible! In the darkness of Saturday night - after a more than four-hour debate - the Washington State Senate passed a state income tax on us! The narrow vote of 25-24 sends this controversial bill on to the House.

WE EXPECT A QUICK VOTE THERE, SO PLEASE ACT NOW!!

That Washington state citizens have already rejected state income tax proposals **10 times** gives absolutely no pause to Democrats who are determined to pass it.
