Register Voters NOW!

We have until October 8 for on-line & mail-in voter registration, name or address changes, or any other updates to your voter registration. The primary proved that liberals are engaged and registering new voters at a very aggressive pace. It is time for every conservative to do the same – register new voter, and share your passion to see the rule of progressive liberals in WA State end. It all begins with the simple but critical process of registering voters. How can you help?
